

# Explore the new SSM Health Cardinal Glennon SportsCare App!

Get the latest sports safety information and resources with the new SSM Health Cardinal Glennon SportsCare App. Whether you're wanting to connect with an SSM Health SportsCare Outreach Liaison or schedule an appointment with an SSM Health Cardinal Glennon specialist, the SSM Health Cardinal Glennon SportsCare App is here to help.

## The latest in sports safety information and resources

Our team keeps kids in the game through educational programs and support for parents, coaches and athletes that focus on injury prevention, proper technique and overall athletic health. SportsCare is a young athlete's best connection to sports medicine and athletic well-being.

## 24/7 SSM Health Cardinal Glennon SportsCare team access

Our SSM Health Cardinal Glennon SportsCare team is dedicated to the health of your child. Our team is accessible 24/7 to answer any questions you may have in order to stay up to speed with the needs of your child's health.

## SSM Health Cardinal Glennon specialist access

Our team knows the importance of having the best possible care and resources for your child. The SSM Health Cardinal Glennon SportsCare App provides exclusive, direct access to comprehensive medical care for young athletes. By working with multiple specialists and care partners, we guarantee your child will get the top care that is best suited to treat their unique injury; improving recovery time and outcome. Many of our services are offered in multiple locations so your child can be treated close to home.

## SSM Health Cardinal Glennon emergency department access

SSM Health Cardinal Glennon emergency departments are conveniently located throughout the St. Louis metro region for quick and easy access for your child's medical needs. Use the SSM Health Cardinal Glennon SportsCare App to sign in to any local SSM Health Cardinal Glennon emergency room near you.
